

# Journal of Micropalaeontology

Volume 16, Part 1, May 1997

## CONTENTS

1. **The genera *Muellerina* Bassiouni, 1965 and *Thaerocythere* Hazel, 1967 from the Neogene of Northwest Europe**  
A. M. Wood and R.C. Whatley 1
2. **A Late Palaeocene-Early Eocene benthic foraminiferal record from Bovlstrup, Denmark, showing a remarkable agglutinated fauna**  
G. V. Laursen and S. B. Andersen 19
3. **New species of Miocene cytheracean Ostracoda from the Pohang Basin, SE Korea**  
Min Huh and R. Whatley 31
4. ***Ozarkodina remscheidensis* plexus conodonts from the upper Ludlow (Silurian) of the Welsh Borderland and Wales**  
C. G. Miller and R. J. Aldridge 41
5. **Aspects of the Cenozoic stratigraphy of the Northern Sulaiman Ranges, Pakistan**  
R. W. Jones 51
6. **A new genus of Devonian Ostracoda**  
A. N. Orlov 59
7. **An Early Triassic conodont with periodic growth?**  
Zhang Shunxin, R. J. Aldridge and P. C. J. Donoghue 65
8. **Revision of the Gault foraminifera from the Hollis and Neaverson Collection (1921)**  
C. Herrero and J. R. Haynes 73
9. **The miospore genus *Fragilipollenites* Konyali emend, from the Silesian of Great Britain**  
D. McClean 85
10. **An early record of the genus *Cytheridella* Daday, 1905 (Ostracoda, Limnocytheridae, Timiriaseviinae) from the Upper Cretaceous of Mali, West Africa: palaeobiogeographical and palaeoecological considerations**  
J.-P. Colin, Y. Tambareau and V. A. Krasheninnikov 91

---

## MICROPALAEONTOLOGY NOTEBOOKS

1. **The First Appearance Datum (FAD) of *Heterosphaeridium difficile* (Manum & Cookson), dinoflagellata, in clastic deposits offshore Norway**  
D. G. Bell and H. Seines 30
2. ***Prolixosphaeridiopsis spissus* gen. et comb. nov. for the dinoflagellate cyst *Cleistosphaeridium spissum* McIntyre & Brideaux, 1980**  
N. M. Hogg and D. A. Bailey 50

---

Abstracted and/or indexed in *Current Contents*, *Science Citation Index*, *GeoArchive*, *GeoRef*, *Geobase*, *Geological Abstracts* and *CABS (Current Awareness in Biological Sciences)*

Cover Photograph. *Amphitoxotis repanda* Siveter, 1980. Much Wenlock Limestone Fm, Wenlock Series, Silurian, Shropshire. ♀ Left valve.

Price: £38.00
