Map Reproduction from the Geological Society

The Geological Society is proud to offer a stunning range of historical reproduction maps available to buy from our outstanding map collection.

Around 100 maps are currently available, with the collection continuing to grow. The current collection includes William Smith sections and coverage of Europe, India, North America, Australia and New Zealand. Printed on high quality paper, the maps are perfect for research or to frame.

If you would like a print of a map in our collection that is not currently available, it may also be possible to arrange scanning and copying of the map provided it is out of copyright.

**How much
