

Proceedings of the

# Yorkshire Geological Society

VOLUME 44 PART1 1982

Price eight pounds

(£8.00)

# Yorkshire Geological Society

FOUNDED 1837

## PATRONS

**Elf (UK) Ltd.**  
**Moray Holdings and Development Ltd.**  
**North Sea Sun Oil Co. Ltd.**  
**Phillips Petroleum Company, Europe-Africa.**  
**RTZ Services Ltd.**

Contributions towards the cost of publication of the Proceedings are always welcomed by the Council. The Society also gratefully acknowledges recent financial assistance from the following:

British Petroleum  
Esso Exploration and Production U.K.

## COUNCIL

Elected 28th November 1981

### *President*

PROF J. W. NEALE

### *Vice-Presidents*

DR G. A. L. JOHNSON      MR D. J. M. ROWE

### *General Secretary*

MR J. M. NUNWICK  
45 Boroughbridge Road, Northallerton DL7 8BG

### *General Treasurer*

MR J. G. O. SMART  
Institute of Geological Science, Ring Road Halton,  
Leeds LS15 8TQ

### *Editors*

DR J. R. SENIOR

*(Secretary to the Publications Committee)*

Department of Adult Education, University of Durham, 32 Old Elvet,  
Durham DH1 3JB

DR R. W. O'B. KNOX

Institute of Geological Science, Ring Road Halton,  
Leeds LS15 8TQ

### *Librarian*

MR J. HARTLEY

Department of Earth Sciences, The University, Leeds LS2 9JT

### *Other Members*

MR R. G. W. BRUNSTROM

DR J. G. CAPEWELL

MR P. DAVISON

PROF J. B. DAWSON

MR W. B. EVANS

MRS D. FORTUNE

MR T. F. JOHNSON

MR P. D. LAMMING

MR J. PATTISON (*Asst. Treas.*)

DR J. E. POLLARD

DR A. PRINGLE

DR D. A. ROBSON

MR P. STAINTHORPE

DR W. J. VARKER (*Asst. Sec.*)

Cover photograph *Thornton Force, near Ingleton*

PROCEEDINGS  
OF THE  
YORKSHIRE  
GEOLOGICAL SOCIETY  
VOLUME 44

EDITED BY

J. R. SENIOR  
AND  
R. W. O'B. KNOX

ISSN 0044-0604

Printed for the Yorkshire Geological Society by  
WILLIAM SESSIONS LTD., THE EBOR PRESS, YORK

PATRONS  
**Elf (UK) Ltd.**  
**Moray Holdings and Development Ltd.**  
**North Sea Sun Oil Co. Ltd.**  
**Phillips Petroleum Company, Europe-Africa.**

## CONTENTS

	<i>page</i>
ADAMS, A. E. Lower Carboniferous <i>Renalcis</i> from Cumbria	327
BARKER, R. D. Geophysical surveys near Goxhill, South Humberside ... ..	119
BENTON, M. J. and TAYLOR, M. A. Marine reptiles from the Upper Lias (Lower Toarcian, Lower Jurassic) of the Yorkshire Coast ... ..	399
BERRIDGE, N. G. Petrography of the Pre-Carboniferous rocks of the Beckermonds Scar Borehole in the context of the magnetic anomaly at the site ... ..	89
BOTT, M. H. P., SWINBURN, P. M. and LONG, R.E. Deep structure and origin of the Northumberland and Stainmore Troughs ... ..	479
BRIDGES, D. H. The origin of cyclothems in the late Dinantian platform carbonates at Crich, Derbyshire ... ..	159
BRUNTON, C. H. C. see Mundy, D. J. C. and Brunton, C. H. C.	
BUCKLEY, A. Anomalous uranium in superficial deposits overlying the Wasdale Head Granite, Cumbria ... ..	431
BURGESS, I. C. The stratigraphical distribution of Westphalian volcanic rocks to the east and south of Nottingham ... ..	29
CORNWELL, J. D. see Wilson, A. A. and Cornwell, J. D.	
COX, B. M. and RICHARDSON, G. The ammonite zonation of Upper Oxfordian mudstones in the Vale of Pickering, Yorkshire ... ..	53
CREANEY, S. Vitrinite reflectance determination from the Beckermonds Scar and Raydale Boreholes, Yorkshire	99
DEARMAN, W. R. see Turner, S. and Dearman W. R.	
DOUGLAS, T. D. Periglacial involutions and the evidence for coversands in the English Midlands ... ..	131
DUNHAM, A. C. and MWAKARUKWA, G. M. The mineralogy of brickmaking at Broomfleet, North Humberside ... ..	501
EAGAR, R. M. C., OKOLO, S. A. and WALTERS, G. F. Trace fossils as evidence in the evolution of <i>Carbonicola</i> ... ..	283
GARRETT, M. J. and RICKARDS, R. B. Graptolite biostrati- graphy of early plants from Victoria, Australia ... ..	377
INESON, P. R., WALTERS, S. G. and SIMON, R. M. The petrology and geochemistry of the Waterswallow Sill, Buxton, Derbyshire ... ..	341
JENKINS, C. J. <i>Isograptus gibberulus</i> (Nicholson) and the isograptids of the Arenig Series (Ordovician) of England and Wales ... ..	219
JOHNSON, G. A. L. Geographical change in Britain during the Carboniferous Period ... ..	181
JONES, R. L. see Keen, D. H. <i>et al.</i>	
KEEN, D. H., JONES, R. L. and ROBINSON, J. E. A late Devensian and early Flandrian fauna and flora from Kildale, north-east Yorkshire ... ..	385

## CONTENTS

	<i>page</i>
KNOX, R. W. O'B. and MORTON, A. C. Stratigraphical distribution of early Palaeogene pyroclastic deposits in the North Sea Basin ... ..	355
LONG, R. E. see Bott, M. H. <i>et al.</i>	
LOS, A. P. see Summers, T. P. <i>et al.</i>	
MORTON, A. C. see Knox and Morton	
MUNDY, D. J. C. and BRUNTON, C. H. C. The discovery of the Dinantian productacean <i>Septarinia leuchtenbergensis</i> (de Koninck) in the British Isles ... ..	333
MWAKARUKWA, G. M. see Dunham and Mwakarukwa	
NEALE, J. W. The Ostracoda and Uniformitarianism. I. The later record: Recent, Pleistocene and Tertiary (Presidential Address, 1981) ... ..	305
NEALE, J. W. The Ostracoda and Uniformitarianism. II. The earlier record: Cretaceous to Cambrian ... ..	443
OKOLO, S. E. see Eagar R. M. C. <i>et al.</i>	
PEARCE, J. A. A cone from the Speeton Clay (Lower Cretaceous) of Yorkshire: a communiqué ... ..	205
POWELL, J. H. and RATHBONE, R. A. The stratigraphical relationship of the Eller Beck Formation and the supposed Blowgill Member (Middle Jurassic) of the Yorkshire Basin ... ..	365
RATHBONE, R. A. see Powell, J. H. and Rathbone, R. A.	
RICHARDSON, G. see COX, B. M. and Richardson, G.	
RICKARDS, R. B. see Garratt, M. J. and Rickards, R. B.	
SIMON, R. M. see Ineson P. R. <i>et al.</i>	
SMALL, A. T. New data on tetrahedrite, tennantite, chalcopyrite and pyromorphite from the Cumbrian and North Yorkshire Pennines ... ..	153
SMITH, D. B. Red basal Permian sands: a new discovery in National Coal Board boreholes off Sunderland, north-east England ... ..	497
STRANK, A. R. E. Asbian and Holkerian foraminifera from the Beckermonds Scar Borehole ... ..	103
STRANK, A. R. E. <i>Holkeria</i> gen. nov., a foraminifer characteristic of the Holkerian Stage of the British Dinantian ... ..	145
SUMMERS, T. P., LOS, A. P. and WESTBROOK, G. K. Geophysical investigations of the Whin Sill in the Roman Wall District of Northumberland ... ..	109
SWINBURN, P. M. see Bott, M. H. P. <i>et al.</i>	
TAYLOR, M. A. see Benton, M. J. and Taylor, M. A.	
TURNER, S. and DEARMAN, W. R. Thomas Sopwith's large geological models ... ..	1
WALTERS, G. F. see Eagar, R. M. C. <i>et al.</i>	
WALTERS, S. G. see Ineson, P. R. <i>et al.</i>
