

SCOTTISH JOURNAL OF GEOLOGY

The journal is devoted to publishing papers on Scottish geology, but papers of general or specialist interest are acceptable. Short papers and discussions of earlier papers are invited. Contributions must be original.

INSTRUCTIONS FOR CONTRIBUTORS

Detailed instructions for contributors are published in the *Scottish Journal of Geology* Volume 12, Part 2, pp. 167-174. Intending authors are strongly recommended to ensure that the format of their contributions complies with these instructions as this will enable processing of their contributions with the minimum possible delay.

Copies of the instructions can be obtained by writing to the Editor, *Scottish Journal of Geology*, 33 Montgomery Street, Edinburgh EH7 5JX.
